Dear Fine Arts Patron,

The Sound of Music, a well-know musical written by the musical powerhouse duo of Rodgers and Hammerstein, tells the story of the von Trapp family in Pre-WWII Austria. The legendary musical which won 5 Tony Awards including Best Musical was made into a film in 1965 starring Julie Andrews as Maria. *The Sound of Music* is one of the most beloved musicals of all-time and produced hit song after hit song with “Edelweiss,” “Do-Re-Mi,” “Climb Ev’ry Mountain,” “My Favorite Things,” and “The Sound of Music!” Dodge City High School is please to announce that *The Sound of Music* comes to the Dodge City High School stage in February!

The Dodge City High School production of *THE SOUND OF MUSIC* will be performed Thursday, Friday and Saturday, February 9-11, 2017, at 7:00pm in the DCHS Auditorium.

Again this year, we are carrying on a tradition started 20 years ago at Dodge City High School, which coincides with the musical. The program is called “Adopt-A-Character.” This program is explained in length on the following sheet. It is a program designed to allow area individuals and businesses to help the “Fine Arts” in the U.S.D. 443 public school system. However, in this program, the “Fine Arts” can help you in return. Just follow the steps on the following page and mail your contribution to the address listed at the bottom of the “Adoption Form,” by February 3, 2017. Then, sit back and see not only the great things you’ve done for the community, but also what great things the community will do for you!

If you have any questions about the “Adopt-A-Character” program, please feel free to contact Kelly Knedler, DCHS Choral Music and Musical Theatre Director, at (620) 227-1611, or by email at: knedler.kelly@usd443.org.

Thank you for your time in considering our program. Please help the arts help you! And...as always...we thank you for your support of the Fine Arts in our public schools!

Sincerely,
